

Walking in the Chilterns

The Chilterns is a wonderful area for day walks, with the rolling hills, the occasional windmill, many friendly pubs and with Red Kites circling overhead.

What better way to explore the Chilterns than with the **Chilterns Weekend Walkers**, a group originally formed by a number of members of the Chilterns 20's and 30's walking group for those no longer in that age group. We have a reputation for being a very friendly group and the walks are led by different volunteers from the group.

We hold walks every Saturday and Sunday and, in the summer, also hold the occasional walk after work finishing for drinks or dinner in one of the Chilterns Pubs. Unlike a lot of walking groups we have a very active social calendar with monthly pub nights, meals amongst many other activities.

Often we go further afield and organise weekends away which have taken us around the UK and also around Europe.

Details of our walking and social programme can be found on our website and you are welcome to join our mailing list and come walking with us with a view of joining the Ramblers Association.
