

# The Chiltern HILLS

Walk with us in the Chilterns, England. We are an outdoor business based in the beautiful Chiltern Hills, one of the UK's most outstanding Areas of Outstanding Natural Beauty (AONB). It delivers excellent and easily accessible four-season walks and we want to encourage you into our magnificent Chilterns.

For those of you who have never previously walked in the Chilterns with Walkfree Breakfree please do join one of our Chiltern Day Walks - for you it is 100% free - yes free as we know you will enjoy our walks in the Chilterns and hopefully you will be back for more.

Walked with us before - excellent and thank you for companionship. This year a small fee of £5 per person will be levied for the walk and a voluntary contribution at your discretion towards the fuel if we have picked you up from the station. But here is a tip - do look out for voucher offers and adverts during the year that will allow you to enjoy free Chiltern walks.

**MORE DAY WALKS WILL BE OFFERED DURING THE YEAR.**
